

SUPPLEMENT TO CONVENING NOTICE

This is a supplement to the convening notice for the extraordinary general meeting of shareholders of Centogene N.V. (the "**Company**") to be held on February 18, 2022 at 1:00pm Amsterdam time (CET) at Sheraton Amsterdam Airport Hotel and Conference Centre, Schiphol Boulevard 101, 1118 BG Schiphol, the Netherlands (the "**EGM**").

By means of this supplement, the Company is allowing its shareholders, others who have voting rights and/or meeting rights with respect to shares in the Company's capital, and those beneficially owning shares in the Company's capital, in each case as of January 21, 2022 (which is the record date for the EGM) to follow the proceedings at the EGM remotely through online facilities.

For this purpose, the parties mentioned above may request login details for the EGM by sending an e-mail to Reto.Wenger@centogene.com until 11.00am Amsterdam time (CET) on the date of the EGM. Please enclose proof of legal or beneficial ownership of the relevant underlying shares in the Company's capital, failing which the Company may refuse to grant you online access to the EGM.

To avoid misunderstandings, whilst the Company is facilitating remote access of the EGM, it will not be possible to cast your vote at the EGM through online facilities.
